SECTION 5: Terms and Conditions

By the signature(s) below, I or we agree and consent to all of the terms and conditions stated herein.

1. The Company is authorized to debit the specified account or to initiate electronic funds transfer from your chosen bank or financial institution on or about the date you selected and at the frequency selected to make a payment on the designated policy. Due to timing of the authorization, the initial electronic funds transfer processed may result in more than one payment being withdrawn.
2. The Company's treatment of each debit, and its' rights with respect to it, will be the same as if it were signed or initialed personally by the Authorized Account Holder. If any debit is dishonored by the bank or financial institution for any reason, the payment will be reversed and will not be considered paid. This may cause the policy to lapse or terminate in accordance with the provisions of the policy and result in the forfeiture of insurance.
3. Completion of this Bank Draft Authorization shall not constitute a payment. Multiple payments may be required to bring the policy to a current due date.
4. This Bank Draft Authorization may be terminated by the Policy Owner, the Company, or the Authorized Account Holder (if different from the Policy Owner). The Policy Owner or Authorized Account Holder may cancel this Authorization by giving the Company 30 days' written notice. This Authorization is to remain in effect until the Company receives written notice of its revocation unless the Company ends it earlier.
5. The Company may try a second time for any withdrawal returned due to insufficient funds. The Company may terminate this Authorization immediately in the event any withdrawal or electronic fund transfer is dishonored for any reason.
6. A confirmation statement for payments paid through this Bank Draft Authorization will not be sent. Information provided by the bank or financial institution may be helpful to reconcile the deductions.

SECTION 5: Terms and Conditions (continued)

- 7. If the premium mode selected is different than your current premium mode, you are authorizing the Company to change the premium mode for your policy for payment of future premiums. For details on the cost of paying premiums more frequently than annually, please refer to the Policy Owner’s policy or product prospectus, as applicable.
- 8. For Universal or Variable Universal Life insurance, the policy is designed to have flexible premiums. Policy Owners should consider paying the necessary amount each month to keep the policy in force.
- 9. The Company should be provided with 30 days’ advance notification of any change to the banking information provided. If advance notification cannot be provided, sufficient funds should be left in the authorized account to honor charges until the Company’s records are changed.
- 10. Any change in name or address of the Authorized Account Holder or Policy Owner must be communicated immediately to the Company.
- 11. If this service is no longer in effect, premiums will be due and billed according to the mode selected but no more frequently than quarterly. Any draft payments scheduled, regardless of type, will no longer be automatically deducted and future payments will be the Policy Owner’s responsibility.
- 12. If this form is being used to set up recurring payments under the Purchase of Paid-Up Additions (PUA) rider, these payments will be considered unscheduled payments under the terms of such rider. They will not be paid by the Company under any Waiver of Specified Amount benefit in the event of disability.
- 13. Any bank fees are the responsibility of the Authorized Account Holder.
- 14. The Company and its officers, directors, agents, employees and representatives are authorized to make any inquiries that the Company considers necessary to validate the account identified and/or investigate any dispute involving your payment, which may include verifying the information I/we provide and/or that the Company acquired against third party databases.
- 15. The Company (or its agent or representative) are authorized to initiate one or more debits by electronic fund transfers (withdrawals), and the bank or financial institution that holds my/our account is authorized to deduct such payments, in the amounts and frequency designated.
